Hi Jenny and Erin,

Here's the third voided Wolverine Permit for a facility in Big Rapid, MI. MDEQ also sent us the current Opt-out permit for the facility which is now owned and operated by Original Footwear.

Let me know if you need anything else!

Thanks,
 Stephanie

Hi Stephanie,

I've attached the voided ROP and staff report for the former Wolverine World Wide facility located at 1005 Baldwin Street, Big Rapids, MI. I've also included a copy of the current Opt-out Permit No. 160-08 as well as the public participation notice and fact sheet. This facility (per news reports) is now owned and operated by a company named Original Footwear, a Tennessee-based footwear manufacturer specializing in products for the Defense Department under the Altama, Original S.W.A.T and Ro-Search brands. Hi April,

By any chance, is there a third permit for Wolverine, SRN B2981? If so, could you send that over as well?

Thanks you!
 Stephanie

Hello Annette and Chris,

Would it be possible for you to send me a copy for any past air permits for Wolverine World Wide Tannery in Rockford, MI? The Active PTIs list states PTI No. 57-00 was rolled into an ROP, but the link for the ROP (SRN B2979) is now closed down.

Thank you!
 Stephanie
